

English

This term we will be exploring biographies based on the artists that we are studying. We will also be exploring non-chronological reports. We will be reading the story 'Uncle Andy's' by James Warhola and also 'The Blue Butterfly' by Bijou Le Tord.

Maths

This term we will be focusing on fractions, decimals and percentages. Year 6 will also be exploring ratio and algebra whilst Year 5 look in more depth at multiplication and division.

Religious Education

We will be exploring the Christian story of the Resurrection and the importance of this on the Christian faith.

Art and design

Art and design is the key focus for our topic this term. We will be exploring abstract art, self-portraits and landscape images. Please see our knowledge organiser for more information on the artists we will be exploring.

Amazing Artists Wise Wolves

PSHE

It's ok to be different

This term, Wolves will be looking at what makes us unique, the importance of respecting differences and having respect and tolerance for others.

Computing

We will be exploring creating artwork using digital drawing apps and will be experimenting with how to add effects to photographs that

Science

In science this term we will be exploring electricity and circuits. We will summarise our current knowledge by exploring what we already know, looking at successful circuits, drawing circuits and experimenting with the different elements that we can add to circuits.
