

Here are a range of activities that Year 5 and 6 can be exploring during our Spring topic. Children should complete **at least one orange piece of homework** and **one blue piece of homework per week**. Homework books should be handed in on a Monday.

<p style="text-align: center;">Writing</p> <ul style="list-style-type: none"> Research and write a biography about an artist Choose an artist such as Hokusai, choose a piece of art and write a story inspired by that artwork 	<p style="text-align: center;">Creative</p> <ul style="list-style-type: none"> Choose an artist you would like to study and create a piece of art in that style Create a sculpture representing something you love, or that brings you joy Create a sculpture that shows the importance of recycling and looking after our environment 	<p style="text-align: center;">Maths</p> <ul style="list-style-type: none"> Practise your multiplication and division facts first up to 12 and then continue to 20. Practise the bus stop or long division method Revisit time – practise changing between 12 and 24 hour clocks and solving time word problems
<p style="text-align: center;">Active</p> <ul style="list-style-type: none"> Collect items from the environment and create a nature sculpture Walk around your local community and sketch areas that bring your joy or that interest you Use a camera to photograph places that bring you joy. How could you add effects to the image? Please remember to ask permission if other people are in the image. 	<div style="text-align: center;">  <p>Amazing Artists</p> <p>Wise Wolves Homework Project Grid</p> </div>	<p style="text-align: center;">Community</p> <ul style="list-style-type: none"> Plant bulbs and help to tidy up your local area ready for the warmer spring weather. Plant seeds and try to grow fresh vegetables or fruit for the summer. Help out those in your local community by volunteering for a good cause
<p style="text-align: center;">Computing</p> <ul style="list-style-type: none"> Use a drawing app to create a piece of art work 	<p style="text-align: center;">Science</p> <ul style="list-style-type: none"> Our science topic this term is electricity. What are the different components of a circuit? What are the symbols used when drawing a circuit? 	<p style="text-align: center;">History and Geography</p> <ul style="list-style-type: none"> Choose an artist of your choose and research where in the world they are from.
