

English

This term we will be exploring historical narratives through our text 'Street Child' by Berlie Doherty. This will allow us to explore the lives of Victorian children and the ways in which they lived.

Maths

This term Year 6 will be recapping all of their areas of learning through a range projects. Year 5 will be looking at shape, converting measurements and negative numbers.

180th Anniversary Wise Wolves

Religious Education

We will be continuing to explore the topic of 'Creation or Science? – conflicting or complementary?' where we will explore a variety of beliefs about creation and religion.

Art and design

This term we will be exploring our school and practising our sketching skills of key areas in relation to our history.

PSHE

Zones of Regulation

This term, we are beginning to look at recognising our emotions and understanding how we can manage these feelings.

Computing

We will be practising our touch-typing skills this term.

Science

In science this term we will be continuing our 'Light' topic.. We will be studying how light travels, investigating shadows and how we see the objects in the vision.
