

Class 2 Autumn 1 - Term 1 2021

At Naseby, we believe that the main homework for all school children is reading. Reading has been proven to be extremely important in developing children's language acquisition and vocabulary, spelling ability, and overall learning confidence and enjoyment. Children should read for at least a few minutes every evening, and this should be recorded in the back of their reading journals. Reading journals will be checked at least once a week on a Friday.

Along with reading I have created this optional homework chart. I understand that time spent with family, friends, and at outside clubs is extremely important. However, those who do manage to complete a piece of homework will be given a raffle ticket for the class raffle which will be drawn at the end of term. Prizes to be confirmed nearer the time.

Research your family tree.
How far can you go back?

Represent and recognise numbers to 1,000
and/or 10,000.

Understanding the value of each digit in a number is really important. How many creative ways can you think of to represent numbers at home? Take lots of pictures!

Autumn Leaves are falling

Autumn is a lovely time of year that has inspired many writers and poets.

- Share your favourite piece of Autumn writing.
 - Go on a nature walk and write about what you see, hear, smell etc.
 - Write your own poem about Autumn.
- Each one will be worth one raffle ticket!

Maths is everywhere!

Sometimes we do maths without even realising it.
What item or picture can you add to our class display to show how we use maths every day?

King Henry VIII had a lot of wives. Research one of them and create a fact page about them.

Mindfulness - Gratitude.

It's not always easy to feel happy and contented but writing a list of things we are grateful for can help.
What are you grateful for?
Even the smallest little things count!
(You don't have to share this with the class)
