

What should I already know?

- I go to school in Naseby
- I can say where I live
- I might already be able to discuss what a village, town and city is

What should I know by the end of this topic?

- I can explain the difference between a village, town and city
- I can name a village, town and city
- I can explain the words 'rural' and 'urban'
- I can explain how Naseby has changed
- I can explain how we find out about the past

Our Local Area

How has Naseby changed over the past 100 years?

Key Vocabulary

Rural

A countryside area with fields and green spaces.

Urban

A place with lots of buildings close together and not many green spaces within it.

Key Vocabulary

Village

A village is usually surrounded by fields and it might have a doctors surgery, a few shops and a primary school.

Town

A town is larger than a village. It might have more than 1 school or doctors surgery and it will have more shops.

City

A city might have a university, a hospital and will have lots of tall buildings.
