

## Busy Badgers Homework Project Grid

The main focus of Homework at Naseby C of E is listening to your child read each evening for 10-15 minutes. On the grid below are a range of activities that Year 2, 3 and 4 can explore at home during our Spring topic of Anglo-Saxons and Scots. We appreciate how busy life can be, so there are some short and longer activities to choose from depending on the time you have available. These can be completed and uploaded via Class Dojo, completed in their project book, or brought into class to share with others.
