

This is me!

Fantastic Fox Cubs Autumn 1 Term 1 2022-23

At Naseby, we believe that the main homework for all school children is reading. Reading has been proven to be extremely important in developing children's language acquisition and vocabulary, spelling ability, and overall learning confidence and enjoyment. Children should read for at least a few minutes every evening, and this should be recorded in their reading journals which are checked regularly.

Along with reading, all children at Naseby are expected to complete at least one piece of homework each week. We understand that time spent with family, friends, and at outside clubs is extremely important and have therefore created a homework grid of activities to choose from, some of which include very short tasks and observations.

Homework should be recorded in the children's homework diary. For each piece of homework completed, children will earn a raffle ticket for our homework raffle draw at the end of term.
