Reading Strategy at Naseby C of E Academy

At Naseby C of E Primary Academy we aim for all our children to become fluent, confident readers who are passionate about reading.

“The more you **read**
the more **things** you know.
The more that you **learn**
the more **places** you’ll go.”
-Dr. Seuss

Children who read regularly or are read to regularly have the opportunity to open the doors to so many different worlds! More importantly, reading will give your child the tools to become independent life-long learners.

We can achieve this together through:

- **Read Write Inc, a program to help to your child read at school**
- **Encouraging children to develop a love of books by reading to them daily, at home and at school**
- **Giving children access to a wide range of books at school and at home**

From December 2021, we implemented Read Write Inc Phonics (RWI) to give your child the best possible start with their literacy. At that time Miss East – our Phonics & English Leader, sent out a guide to explain how the RWI programme works together with some useful links. Now that our phonics and reading scheme has been in place for over a term we would like your feedback regarding the impact of the scheme’s success in supporting your child’s reading confidence and ability.

What is Read Write Inc?

Read Write Inc (RWI) is a phonics complete literacy programme which helps **all** children learn to read fluently and at speed so they can focus on developing their skills in comprehension, vocabulary and spelling. The programme is designed for children aged 4-7. RWI was developed by Ruth Miskin and more information on this can be found at <https://ruthmiskin.com/en/find-out-more/parents/>.

How is RWI be taught?

All children are assessed regularly by our RWI lead teacher Miss East so they work with children at the same level. This allows complete participation in lessons.

Reception

In Reception all children will learn how to 'read' the sounds in words and how those sounds can be written down.

Reading

The children:

- learn 44 sounds and the corresponding letters/letter groups using simple picture prompts – see below
- learn to read words using Fred talk and sound blending
- read from a range of storybooks and non-fictions books matched to their phonic knowledge
- work well with partners
- develop comprehension skills in stories by answering 'Find It' and 'Prove It' discussion questions

Writing

The children:

- learn to write and form the letters/letter groups which represent the 44 sounds with the help of fun phrases
- learn to write words by using Fred Talk
- learn to build sentences by practising sentences out loud before they write

Talking

The children

- They work in pairs so that they:
- answer every question
- practise every activity with their partner
- take turns in talking and reading to each other
- develop ambitious vocabulary

Year One & Year Two

Children follow the same format as Reception but will work on complex sounds and read books appropriate to their reading level. Daily sessions of RWI phonics last for one hour.

Five key principles underpin the teaching in all *Read Write Inc.* sessions:

Purpose – know the purpose of every activity and share it with the children, so they know the **one** thing they should be thinking about

Participation – ensure every child participates throughout the lesson. Partnership work is fundamental to learning

Praise – ensure children are praised for effort and learning, not ability

Pace – teach at an effective pace and devote every moment to teaching and learning

Passion – be passionate about teaching so children can be engaged emotionally.

Children will be taught how to read as follows:

Before you start to teach your child, practise saying the sounds below. These are the sounds we use to speak in English.

Fred Talk

We use **pure sounds** ('m' not 'muh', 's' not 'suh', etc.) so that your child will be able to blend the sounds into words more easily.

At school we use a puppet called Fred who is an expert on sounding out words! we call it, 'Fred Talk'. E.g. m-o-p, c-a-t, m-a-n, sh-o-p, b-l-a-ck.

The following video is an example of blending sounds with Fred. https://www.youtube.com/watch?v=dEzfpod5w_Q

The children are taught the sounds in 3 sets.

Step 1:

Set 1 Sounds are taught in the following order together with rhymes to help children form the letters correctly and instantly recognise sounds ready for blending.

Please do not use letter names at this early stage.

Children will also use pictures for each sound to help recognise the sound and then form the shape of the sound.

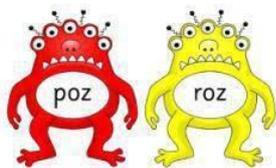

Step 2:

The children are then taught **Set 2 Sounds** - the long vowels. When they are very confident with all of set 1 and 2 they are taught **Set 3 Sounds**.

Long vowel sound	Set 2 Speed Sound cards Teach these first	Set 3 Speed Sound cards	
ay	ay: may I play	a-e: make a cake	ai: snail in the rain

oy	oy: toy for a boy	oi: spoil the boy	
		er: a better letter	
		ire: fire fire!	
		ear: hear with your ear	ure: sure it's pure?

Nonsense words (Alien words)

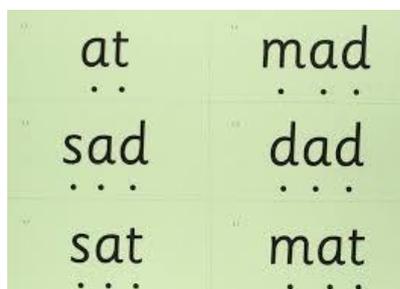

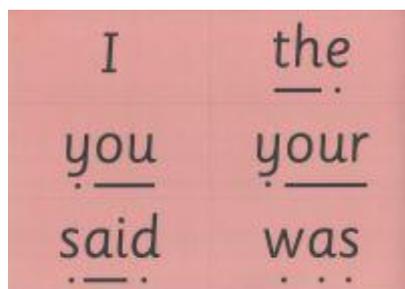

As well as learning to read and blend real words children will have plenty of opportunities to apply their sound recognition skills on reading 'Nonsense words'. These words will also feature heavily in the Year One Phonics Screening check in the summer term. [Click here](#) for further information on the Screening check.

Step 3:

Children will be introduced to 'Ditty books' when they successfully begin to read single words. The short vowels should be kept short and sharp:

Children use sound-blending (Fred Talk) to read short ditties. They will bring these home once they have read and discussed the book in class. Children will then be challenged to use their developing phonic knowledge to write short sentences.

Within all the books children will have **red** and **green** words to learn to help them to become speedy readers. **Red** words are words that are not easily decodable and challenge words to extend children's vocabulary. **Green** words are linked to the sounds they have been learning and are easily decodable.

Dots and dashes represent the sound each letter makes.

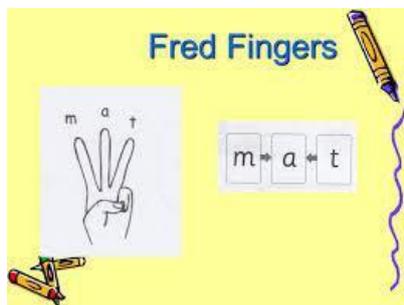

Once your child has been introduced and taught these words in school we will send them home for you to continue practising with your child.

During the RWI session children will read the book three times and at each new reading they will have plenty of opportunities to practise using their developing comprehension skills. You may have heard your child talking about '**hold, edit or build a sentence**'.

Hold a sentence is an activity that encourages children to remember a whole sentence while focusing on spelling and punctuation.

Build a sentence is to give children the opportunity to create their own sentence to that shows the meaning of a word and edit a sentence allows the children to critique a sentence using their knowledge of spelling punctuation and grammar. Children complete a longer piece of independent writing, which gives them the opportunity to show off their creativity and to practice their spelling, grammar and punctuation.

Spelling Quiz

A spelling quiz will be held each week (This will only start in Reception when children are ready to write and form their letters). Children will use first use 'Fred fingers' to first sound out a word before they write it down. Children learn how to spell rather than just get tested. Furthermore, this way of teaching spellings allows children to use Fred fingers whenever they get stuck with spelling a word. Children pinch each sound on fingers before writing the word.

Order of Story books: Children will hopefully follow the order listed below. The expectation is that all children will leave Year One as confident speedy readers, ready to take on the challenges of Year Two. However, some children may need extra support and your teacher will talk to you about this.

Books	Year Group Expectations	Green Words in Books
Red Ditty 1-10	Reception	Click here to help your child
Green 1-10	Reception	Click here to help your child
Purple 1-10	Reception	Click here to help your child

To help at home:

Your child will start to bring books home when they are confident readers. Please help them to read and give lots of praise!

If you have any other questions about RWI, please see your class teacher or see Miss East.

Phonics Screening Check Year One

What is the Year 1 phonics screening check?

The Year 1 phonics screening check is a short, light-touch assessment to confirm whether individual pupils have learnt phonic decoding to an appropriate standard.

It will identify the children who need extra help so they are given support by their school to improve their reading skills. They will then be able to retake the check so that schools can track pupils until they are able to decode.

Develop a love for reading

Becoming a fluent and confident reader provides children with the tools to access and understand the world around them, however, we believe that nurturing a passion for reading is equally as important as having the ability to read a book.

Opportunities to harness this love for reading can be seen throughout our school community and is deeply woven into our academic calendar. When visiting our school you will notice our wonderful Library Bus, which is packed full of exciting and

inspiring texts, of which the children of our school cherish. We have worked hard to develop cosy reading areas and a variety of texts, which the children take great pride in maintaining to ensure their longevity.

In addition to our Library Bus, we enjoy celebrating an annual 'Reading Challenge' which encourages children to show themselves reading in unusual places. This leads up to one of the many highlights of our year 'World Book Day' in which we celebrate the love and enjoyment that we all find in books. All members of our community join in with this and allows us to share our favourite books and participate in activities centred around diverse and exciting texts.

This academic year, we have begun to form a 'Reading Buddies' scheme which allows children from Years 5 and 6 to sit and share a book with a younger child. This has proved to be extremely popular amongst the older children, who take great enjoyment in choosing a suitable story to share with an EYFS or KS1 child. We look forward to growing this further through inviting members of the community into our school to share their favourite stories with the children.

We are already planning ahead to how we can grow our work towards developing a school with a strong passion for reading. In September 2022, we are looking to begin a regular 'Reading At Home Award' system. Children's reading will be monitored and the more that children read with adults, the closer they will be to achieving either a Bronze, Silver or Gold certificate and reading-focused prize for their hard work. We are excited to see how this progresses and develops over the coming year!
