Number of Pupils with EHCP Support (E);	2	3
% on roll with SEND support;	23%	38%
% on roll with EHCP support;	3%	6%

## Achievements

- Children in EYFS achieved above national target for GLD in EYFS.
- Number of children in Year 1 achieved above national target for Phonics screening check.
- Year 6 achieved above national target for GDS in combined score for Reading, Writing and Maths.
- Year 6 achieved above national target set for children achieving EXS and GDS in reading - this is a great achievement in particular achieving a significant 39% national target for GDS+. Reading achievements across the school have exceeded national targets in EYFS/KS1 & KS2. Recognition and congratulations should be noted for Mrs. Walden who has led Reading as English lead through the successful implementation of strategies over the last 3 years such as Read, Write, Inc for Phonics, Reading areas in classrooms and organised the timetable to ensure reading is made a priority on a daily basis. Well done to Mrs. Walden and all the reading teachers who have worked hard to ensure the success of phonics and reading across the school throughout the whole of last year.
- Mrs. Walden achieved her NPQLL in 23/24.
- Year 6 significantly achieved above national target for GDS+ in Maths & SPAG. This is also a fantastic achievement.

## Key Priorities for next year;

- KS1; 100% in Yr 2 Phonics retake.
- KS2; Writing, Maths and GPAS.
- All non-EHCP children at Expected Standard.
- Continue to meet or exceed National target for Yr 1 Phonics and GLD in EYFS.
- These priorities will be met through a 7 Priority SDP that is written in line the Ofsted Education Framework, monitored on a weekly & half termly basis.
