

Homework Grid

We ask all parents to read daily at home with your child for around 15 minutes. This can include their phonics book and hearing a bedtime story. We understand that once your child gets home from school, they are often tired and need to have some essential downtime. However, should your child want some additional work to explore after school or over the weekend, here are a range of activities that Fantastic Fox Cubs can choose from. Homework can be handed in to the teacher or submitted via Class Dojo. Evidence of completed homework may include written work, photos or artistic creations.

<p>Maths</p> <p>EYFS – Practise doubling by drawing or using objects.</p>  <p>Year 1 – Practise finding one more and one less than any number to 100.</p>	<p>Science</p> <p>Make a poster all about summer.
