9.15am.
- Harvest Festival on 8<sup>th</sup>  
October at 2pm –  
everyone Welcome!

## Head's Update

What a wet and windy week it has been! I was delighted this did not however dampen the spirits of the children when they went out to play with an exciting array of new playground equipment, kindly donated by Mr. Frazer from Guilsborough Secondary Academy. We are looking forward to welcoming Mr. Frazer next week when he visits Class 3 to introduce himself.

This week I have enjoyed being in classrooms to see some Mathematics lessons, exploring Maths Mastery. Class 1 were learning about and making number sentences to show numbers greater and lesser than, with Colin the Crocodile! Class 2 were learning about finding the correct negative number on a number line. It was wonderful to see children focused, engaged and excited about their learning.

The peer support that children voluntarily offered to help one another in Class 2, was admirable.

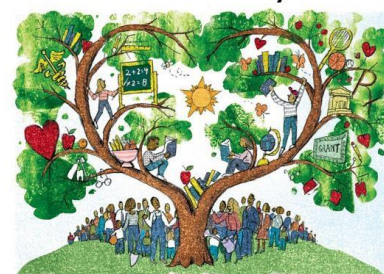

The Christian Ethos Team have been planning the Harvest Festival which will be held at All Saint's church on Friday 8<sup>th</sup> October at 2pm. Parents and family members are all welcome to attend. The service will be led by Reverend Miranda and the Christian Ethos Team, supported by myself. Children will take their belongings with them so that they may leave with parents who are able to attend, when the service has ended.

Our Open Mornings for new starters will now be on October 13<sup>th</sup> & 14<sup>th</sup> at 9.15am. Please feel free to pass on details and show the poster to any parents you think may be interested in attending. Places can be booked via Mrs. Whitaker on; 01604 740540 or via email; [bursar@naseby-ce.northants-ecl.gov.uk](mailto:bursar@naseby-ce.northants-ecl.gov.uk). If you would like a poster to put on display, please ask at the school office.

I look forward to seeing those of you able to attend the Harvest Festival next Friday 8<sup>th</sup> October at 2pm. Have a super weekend everyone.

## Weekly Update

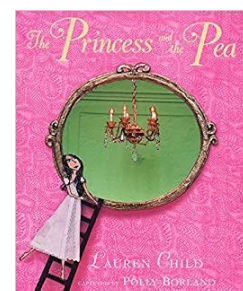

### Class 1

Reception have been exploring patterns this week in their Maths and enjoyed playing with the new play equipment that Mrs. Cook surprised us with! We also had fantastic fun creating shoes with Mrs Burdett.

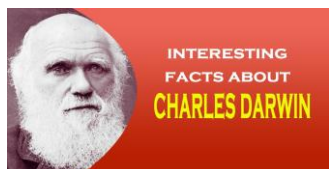

Year 1 and 2 have enjoyed learning about and writing a non-chronological report about landmarks in Naseby. We also explored old photos of the village and have had great fun learning our harvest song!

### Class 2

This week, Class 2 has started to read the story of 'The Princess and the Pea' by Lauren Child. We created our own invitation to the Royal ball and discussed why the princess was lured out of her treehouse by the moon. In Maths, we have continued with our work on place value by learning how to round numbers to the nearest 10, 100, and/or 1,000. We also explored negative number lines. The children enjoyed our Science discussions about the importance of our skeleton and what would happen if we didn't have one. They discovered that bones in our bodies have both a common and scientific name.

### Class 3

This week in Class 3, we have been creating a timeline of Charles Darwin & Mo Farah. In Maths, we have been learning about inverse operations, using addition & subtraction. In P.E. we have been learning to play Boccia as our school have supported 'National Boccia Day' this week. We have also played rounders and team games. In art we have been drawing an object. In R.E we have been thinking about forgiveness and how hard it might have been for people to forgive a range of different scenarios. In Science we have been learning facts about Charles Darwin.

This week the class recap has been written by; Georgia, Scott & Henry.
