

# THE WEEKLY NASEBY C of E NEWSLETTER

Let all that you do  
be done in Love  
1 Corinthians 13:14

15<sup>th</sup> October 2021

## TOP NEWS

- We reverted to bubbles this week.
- We congratulated Mrs. Burdett on her career progression, but will miss her greatly.

## Head's Update

At the beginning of this week we were visited by Atomic Tom, who did a Science Assembly with each individual class in the hall. The staff and children were literally 'blown away' by his fantastic session! Atomic Tom will be after school 'Super Science' sessions on Fridays from 3.30 – 4.30, next half term.

We welcomed parents of 2022 New Starters to our Open Mornings this week. After I gave an introduction about our school, Year 5 & 6 Ambassadors took visitors on a school tour and told them all about their experiences as part of the Naseby C of E Academy family. I was very proud to receive wonderful feedback from visitors who praised tour ambassadors as well as the caring, respectful and conscientious children of our school. Well done everyone!

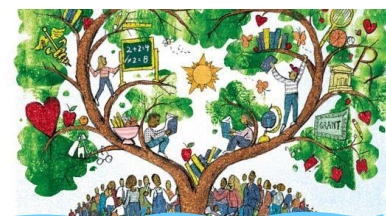

In Collective Worship this week we have been thinking about 'Promises' and what it means to make a promise. We listened to the story of Noah's Ark and thought about what Christians believe the rainbow in the story represents. Our Christian Ethos Team independently led class based Collective Worship sessions this week and visited each classroom to deliver an assembly about 'Promises'. Thank you and well done Christian Ethos Team.

Our colourful 'Rainbow' theme continued in Fables Morning Drama Club this week as they enjoyed some exciting Parachute drama activities.

We also welcomed Ann Davey - CEO of Pathfinder Schools this week, to have a tour of our school. Ann thanked the staff and children of Naseby for making her feel so welcome and commented that it was a "happy and calm school which felt like one big family".

It has been great to hear the sound of guitar and violin lessons throughout Tuesday afternoon when the NMPAT tutor visits. We look forward to being able to extend wider musical opportunities in the future.

Next week we look forward to an update from the School Council regarding class names. Have a restful weekend everyone.

This week we have celebrated and sang

**HAPPY BIRTHDAY!**

To ...

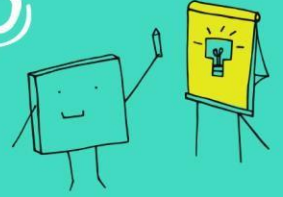

from everyone at  
Naseby C of E  
Academy

*Mrs. Cook.*

# CLASS NEWS

## Weekly Update

### Class 1

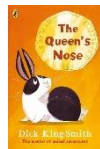

Reception have enjoyed reading 'We're Going on a Bear Hunt' by Micheal

Rosen. They retold the story using actions and then created story maps of the plot.

Year 1 & 2 have been learning about the Loch Ness Monster. They have become familiar with a text on how to trap the Loch Ness Monster and are beginning to retell it using actions.

### Class 2

Class 2 have certainly been working hard again this week. In our literacy sessions we have started to read 'The Queen's Nose' by Dick King-Smith. The story is about a girl who is fortunate to enough to have seven wishes granted. As a result, we have had some very in-depth discussions about what the children would wish for themselves. The class agreed that wishing for friends and family to be happy would be their priority, and whilst lots of us would like more possessions and bigger homes, not everyone can have those things as it would cause deforestation and be bad for the environment. The class have also been calculating larger addition sums using column addition and recapping the work that they have done on our science topic 'Animals Including Humans'. In RE the children came up with their own modern version of the parable 'The Good Samaritan'. On top of this, we have also started to design and make our own bookmarks which will include some cross stitch. The class also thoroughly enjoyed the science assembly led by our visitor 'Atomic Tom'.

### Class 3

This week in Class 3, we have been learning how to multiply large numbers by using the column method. We have also been reading 'Clockwork' by Phillip Pullman and studying a character from the story. In PE, we have been developing our ball skills and playing a game of boccia in the hall.

# NSA Update

## Dates for the diary

**Monday 18th October**

**Bags2School collection, please see <https://bag2school.com/what-we-collect> for items that are accepted.**
