## Head's Update

This week the children returned to school after the half term break with smart new hair cuts and it seems another 2 inches taller! It was wonderful to hear about the exciting activities and family time that had been enjoyed over half term.

Although we have not returned to classes in bubbles, we continue with appropriate procedures in place to keep everyone safe. Classrooms continue to be ventilated via doors and windows and we continue to regularly wash hands & sanitise.

Virtual parental consultations went well this week. Thank you to parents for making the time to speak with your child's teacher about how well they have settled in this year and discuss their targets. Thank you also to staff, for organising appointments and supporting parents in successfully logging on via Teams for their consultation.

We continue our Collective Worship theme of 'Community' this term and this week we thought about 'Rules'. We considered how rules & symbols of today's 'Highway Code' keep us safe and linked this to 'rules for life', listening to a story from the Bible about rules that God sent to Moses. Reverend Andy continued this theme in his Collective Worship, where children had to choose which statements were and not, one of the Ten Commandments.

Each class has also enjoyed learning about the Hindu festival of 'Diwali' this week, which began on 4<sup>th</sup> November. Their work was so great we have decided to create a special edition 'Diwali pullout'.

It was wonderful to see so many clubs on offer this term as we develop new partnerships with external providers such as Atomic Tom Science & The Northamptonshire School of Dance. See Page 5 for clubs & times, which start next week.

Finally this week, we celebrated Mrs. Roberts Birthday & said 'Thank You & Good Luck' to Mrs. Burdett. We look forward to her popping in for a catch up, in the future!

## Weekly Update

### Class 1

Reception have enjoyed beginning their new topic of 'Polly Put The Kettle On!' and they have begun to listen to traditional nursery rhymes. They have been listening to and enjoying poems all about poppies in preparation for Remembrance Day.

Year 1 and 2 have been exploring a range of poems have begun to write their own poem all about how poppies are used in Remembrance Day. This has been an introduction to our new topic of 'Why do we wear poppies?'

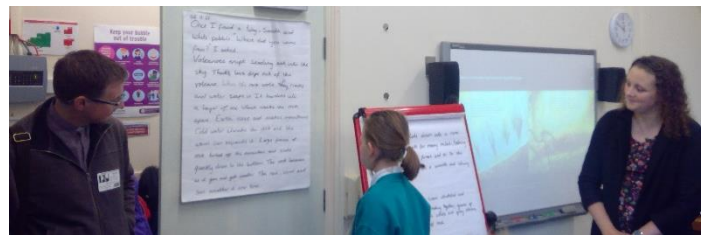

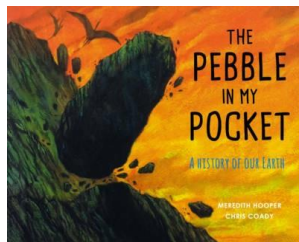

Poppy poppy what do you say?  
Wear me on Remembrance Day.

Poppy poppy what do you tell?  
Many soldiers in battle fell.

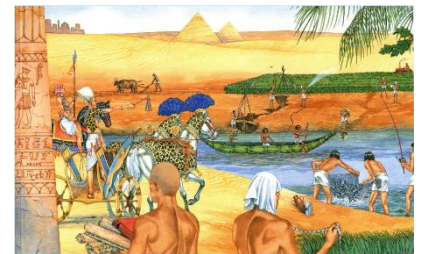

Poppy poppy what should we  
know?  
That peace on earth should  
grow, grow, grow.

### Class 2

The Busy Badgers have loved starting off this term's work by reading the book 'The Pebble in my Pocket' by Meredith Hooper. The children have been drawing on the beautiful illustrations and rich vocabulary to create their own shortened narrative of the story. The class proudly read their work aloud to Reverend Andy when he came to visit. This has also helped them with their science work where they have started to learn about the three natural types of rocks that are part of the rock cycle.

### Class 3

This week in Class 3, we have been learning all about factors and common factors in Maths (we even got to write on the tables!). We have also started our new history topic with a bang by brainstorming facts about ancient Egypt. After this, we looked for anachronisms (things that are out of place) in a piece of artwork about ancient Egypt (see if you can spot any in the image below). In science, we have started our new unit on healthy bodies by finding out about ideas of healthy eating in the past and how sailors were affected by scurvy.

### 5 things the Wise Wolves Class love about Mrs Burdett

Smile – the way she smiles when I see her in the morning.

Humour- the jokes she tells us always makes us laugh (like the hamster jokes she always tell us!).

Support- if we feel down, we go to her for advice or help.

Joy- she never stops smiling!

Care- she listens and respects your thoughts and problems.
