Head's Update

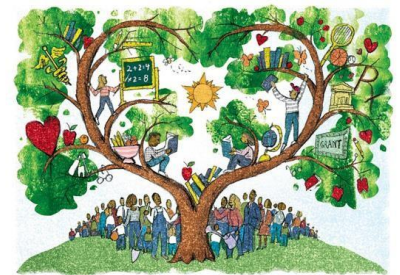

What a wonderful week! The staff team arrived on Monday morning to a very picturesque sight of our school in the snow. Thanks to our teachers, the paths were cleared and made safe for everyone as they arrived. It was a perfect start to our festive week!

We were delighted to be able to go ahead with our Christmas Decorations Day with parents on Wednesday, which began with Collective Worship outside on the playground for the Blessing of our Christmas Tree by Canon Miranda. We were also joined by Mrs. Swales – Principle Executive of GMAT. Pupils from Wise Wolves Class planned and designed many of the wonderful Christmas decoration making activities explored by each class, as well as some activities the teachers helped to plan. It was wonderful to see parents having fun and enjoying making decorations with their children in different areas across the school. Thank you NSA for supplying the beautiful baubles for each child to decorate. Highlights for me were the 'Selfie elves' made by Fantastic Fox Cubs and the incredible Swiss rolls that Wise Wolves Class decorated. We enjoyed watching Busy Badgers class break into Christmas Dancing in their excitement- even before any music started playing! Thank you to all the parents who came along and adhered to our safety requests, which enabled us to do this safely.

An enormous WELL DONE to Naseby on their sporting successes this week! On Monday 2 Teams from Wise Wolves went to a Quickstix Hockey Tournament. One team came third and the other team won the tournament! Hot on the heels of this success, more Wise Wolves went to a basketball tournament on Wednesday and won that too! What winning week! Well Done to everyone who took part. Go Naseby!

Weekly Update

Fantastic Fox Cubs

Fox Cubs have had a busy week practicing our nativity and welcoming family in for our Christmas Decoration Day! We loved seeing our decorations on the tree!
We have also been visited once again by Jack the Elf, who has been causing mischief!
Year 1 and 2 have begun planning to write their own version of 'Little Red Riding Hood' - we look forward to sharing our effects on Class Dojo next week.

Busy Badgers

This week, the Busy Badgers have continued to learn their times tables. We have been focusing in particular on the 8,9 and 10 times tables. We all really enjoyed creating Christmas decorations on Wednesday to celebrate the start of advent. This afternoon we will be erupting our large volcano that we made as a class.

Wise Wolves

This week, the Wise Wolves have been learning how exercise affects the heart. We have been investigating our heart rate when completing various exercises and then presented our findings using a bar chart.

Christmas arrived this week, and we had lots of fun decorating yule logs and the classroom. It was lovely to be able to invite our parents in to experience some Christmas cheer.

In other news, the year 6 hockey team played exceptionally well and won the tournament on Monday. Then, the year 5 team managed to go and win the basketball match against local rivals Guisborough on Tuesday. What a fantastic week! 😊

Please can you ensure that children come into school with coats every day, now that we are in the winter terms.

We are delighted to announce that the new school website has now gone live!

www.nasebyacademy.com

Can any spare newspaper please be sent it into school. Thank you!

If anyone has a spare artificial Christmas tree, we would be very grateful of any donations.

In order to keep staff and children as protected and safe as possible we have decided not to go to the Theatre to see the Pantomime this year. Instead, we are pleased to inform parents that we have booked Cinderella, a virtual pantomime for the children to enjoy in their classrooms.

School Home Agreements to be returned to school by Friday 10th December.

Dates to remember –

- Christmas Jumper Day Friday 10th December.
