The Coram Life Education Bus visited us today & returns on Monday next week!

Beegu is found and flies home!

Head's Update

It has been another fun learning week at Naseby C of E Primary academy. We started the week with 'Missing Beegu' posters created by EYFS children, popping up all over the school. I am delighted to hear Beegu has now been found and is on the way home to space! I was extremely impressed with the detailed air-dry clay models of Beegu, that EYFS were making when I visited this week. I have enjoyed seeing the story maps created by Fantastic Fox Cubs and Busy Badgers this week – super writing everyone! Today the Coram 'Life Education Bus' visited our school. It will also be visiting again on Monday. Staff and children would like to say a huge thank you to NSA for funding this fantastic learning opportunity.

Mr. Matthews and myself spent a morning at neighboring Maidwell Primary School this week, finding out about 'Talk for Writing' in their school. We had a super introduction from Headteacher - Rosemarie James and it was wonderful to see how it was being taught in classrooms, as well as speak to the children about it. Miss East will be writing a 'Talk for Writing' article in a future newsletter, informing parents of our journey.

Finally, I would like to say 'Thank you' to parents for your support and co-operation this week in testing each day for 7 days, following any Covid cases in classes. This has helped to identify children who have shown no symptoms. Staff, governors and children send their get well wishes to those in our Naseby family who are currently suffering with Covid.

Have a lovely weekend everyone. *Mrs. Cook*

This week we have celebrated and sang

Weekly Update

Fantastic Fox Cubs

Reception have worked hard this week to write a fantastic letter to their alien friend to let them know that Beegu is safe and on their way home. This was a joint effort with shared ideas from the children. We hope Beegu makes it home safe! We also enjoyed discussing how love makes us feel for our display in the hall.

Year 1 and 2 have continued their learning on the Titanic, they discovered differences between the different classes on board and what the rooms and shared areas looked like. We also continued our topic of 'What is it like to be a Sikh in Britain?'. We looked into the 5 Ks – the different things that Sikh people carry around with them to remind them of their beliefs.

Busy Badgers

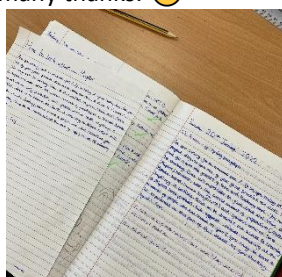

This week the Busy Badgers have been learning about the Russian fairy tale character Baba Yaga. The class created their own story maps based on one story about her. The next lesson they read a description of Baba Yaga's ramshackle old cottage written by Mrs Newlyn-Jones and looked up the definitions of the words they were unsure of. The children even had a go at improving their teacher's piece of writing. They made an excellent start! In Maths we have been learning about units of measure for length. Year 3 have had a go at estimating and measuring items around school, and year 4 have learnt about Kilometers and have begun to calculate area. Having researched Russian Fabergé eggs, the busy badgers enjoyed spending Thursday afternoon brining their designs to life. Mrs Newlyn-Jones was very glad that they weren't using real eggs, but the designs were fantastic!

Wise Wolves

This week, the Wise Wolves have been finding out about the water cycle. In English, we have completed our 'How to Look After a Miptor' information texts. In Maths, we have been learning about decimal numbers and converting fractions to decimals up to 3 d.p.s. Could children please be reminded to bring in some materials for making a 3D water cycle next week. Cereal boxes, plastic bottles and yoghurt pots would be brilliant many thanks. 😊

Christian Ethos Group

This week, Christian Ethos gathered for a 'Reflection session'. We talked about how we wanted to develop our Christian Ethos sessions, in addition to planning and leading whole school Collective Worship. Next week, they are looking forward to joining other local schools online for a Collective Worship Conference with Peterborough Diocese. This week, we prayed for those in our families who were not well and everyone all over the world who was suffering. We also prayed with thanks for our families, food, water and shelter.
