Spring Term 2 - Week 6 1st April 2022

This week we have enjoyed our last week of the Spring term. There were lots of 'Eggciting events'. Thank you for your kind donations to the cake sale organised by NSA this week, which went very well. We also enjoyed watching Naseby's First Great Egg Race! It was fantastic to see so many wonderful self-propelled vehicles carrying an egg, that had been made with families at home. Well done to everyone who took part and congratulations to the winners! Thank you to families who were able to come and support on the morning. Congratulations also to our Easter Egg design winners! We also enjoyed a very special visitor to school this morning - it was the Easter Bunny! He hopped around the school, waving in windows and delivered some wonderful chocolate eggs for us all to enjoy! This afternoon we will be enjoying each class take part in our Easter service at All Saints church with canon Miranda.

Thank you for your support over this term, it is appreciated.

I hope you all have a wonderful & peaceful Easter break.

Mrs. Cook.

1 - We would like to wish Happy Birthday to... Joss!

Fantastic Fox Cubs

2 - Our Reception Easter Egg Design Winners

3 - Our Year 1 Easter Egg Design Winners

4 - Our Year 2 Easter Egg Design Winners

5 - Our Reception Egg Race Winner

6 - Our KS1 Egg Race Winner

Reception have enjoyed reading 'The Tiny Seed', they have been writing their own journeys of a seed. They also worked hard to create cheerful Easter and Spring cards to bring home. On Thursday Reception were joined by Mr Matthews on a trip to Naseby HQ to spend their pennies on a treat.

Year 1 and 2 have enjoyed continuing to read 'How to make a decadent Victoria sponge' to help us understand instructions, they retold the story using actions and also retold the steps using pictures. They then planted up our bean seedling into compost and wrote instructions on how we did it. Year 1 and 2 also enjoyed creating a double page spread to end our topic of 'Green Fingers'. Miss East was very impressed by all of the knowledge they had been able to retain.

Busy Badgers

What a fantastic last week to the term it has been! The children really enjoyed working in groups and creating model Spitfires. To finish off the work they have been doing on World War Two, the class created detailed WW2 reports. They focussed on meeting their writing targets whilst composing the reports and the end pieces were very impressive. In our computing sessions we have been focussing on 'opinion polls' and the children finished off their questionnaires and started to analyse the results. In Science we have been investigating how well plants grow in different conditions. The children were very surprised to see that the plant with no soil still grew a little bit.

Preparations have also been underway for our Easter Performance which we are looking forward to performing on Friday.

Wise Wolves

This week, we have been learning about area and perimeter. Year 6 completed an investigation to work out the dimensions of a farmers field. I have included it in the photos, if you would like a challenge. In history, we have been learning about how crime and punishment has changed over time. We found out that punishment was very severe indeed. Some children entered the 'Great Egg Race' on Tuesday. Also, we have been preparing for Easter by creating our unique egg designs.

Investigative Maths Year 6

53 Field measurements

• A farmer calculated the area and perimeter of all the fields on his farm.
• Use this information to calculate the dimensions of each field.

• Given the total area of the farm and the same number of fields, what other sizes could the fields be?

Our Christian Distinctiveness

Collective Worship; This week we have learning about the story of Zaccheus and how he changed for the better after hosting Jesus for tea at his house. Zaccheus & Jesus were performed brilliantly by Freddie & Poppy in Busy Badgers class, along with others who played villagers.

Christian Ethos Group; This week Christian Ethos group created their own Collective Worship about 'Prayer', following what they had learned at the conference. They talked about how we pray and what we might pray for using an acrostic of 'Prayer' which they created.

Courageous Advocacy; We have taken part in Comic Relief today to raise funds for those who may have disabilities or may be struggling financially for different reasons. We heard about 'Teddy' who is

visually impaired and how has been supported by a drama group, to develop his social skills and confidence.

We continue to pray for those affected by the current crisis in Ukraine at this time.

Key Dates for Spring Term 2

IMPORTANT dates to remember

School closes	Friday 1st April 2022
Training day	Tuesday 19th April 2022
School reopens	Wednesday 20th April 2022
Clubs resume week commencing	Monday 25th April 2022

Dear Parents,

As I am sure you will be aware, the village will be hosting an exciting day of activities in order to celebrate the Queen's Platinum Jubilee in June. We are pleased to announce that there is the opportunity for one of our pupils to design a bookmark to commemorate this joyful event. The winning design will be turned into a bookmark that will be shared with pupils and members of the village to mark the occasion.

If your child would like to take part in this competition, please use the bookmark template provided on the letter that was sent out on the last day of term to create a design themed around the Queen's Platinum Jubilee and the village of Naseby. This can then be sent to kjones@nasebyacademy.com by 11th April. The Jubilee Committee will then assess the entries and decide on a winner.

We are lucky as a school to have so many creative pupils and we can not wait to see the many wonderful entries!

Kind regards,

Hannah East
