Spring Term 2 - Week 5 25th March 2022

This week we enjoyed a 'Mothering Sunday Monday!' where the whole school took part in creating cards, paintings, poems and prayers to celebrate & appreciate our mums! I was blown away by the incredible poems written by Busy Badgers when working with them. Children in each class and in the Christian Ethos Group chose what they felt should be in our Mothering Sunday Service (in the church today of course!). We were grateful that Canon Miranda and church wardens, gave their time to enable us to offer two services for parents and families to attend. The service this morning was a great success and we loved giving Daffodils to our mums.

Next Week we are looking forward to our first Great Egg race at 9.15 on Tuesday, a visit from the Easter bunny! and the Easter Service at church next Friday afternoon at 2pm. We are also looking forward to posting our letters to Yei Kindergarten - a school we have links with in South Sudan. Any

spare change that could be brought in before Thursday 31 March in aid of Yei Kindergarten would be much appreciated.

Have a super weekend everyone.

Mrs. Cook.

1 - We would like to wish Happy Birthday to...

Megan and Charlotte

Fantastic Fox Cubs

Foxcubs had a wonderful 'Mother's Day Monday' filled with a day of crafting making portraits of our mums and also creating wonderful cards. We are very excited to share these at our Mother's Day Service, or to take home and share.

Reception have had a fantastic week this week- we have enjoyed a Teddy Bear's Picnic with our own teddies. We have also begun to read 'The Tiny Seed' and have explored the seasons of the year and the journey that the seed has taken.

Year 1 and 2 have enjoyed exploring the results of our experiment looking into what plants need to survive. We were surprised to see that our seed planted in sand grew the fastest! We have also enjoyed beginning to look at writing instructions. On Wednesday Miss East asked us to help her to write instructions for how to eat a banana- we were a great help! We also read instructions on how to make a delicious Victoria sponge. Yum!

Busy Badgers

Busy Badgers have had a busy week with lots of different activities. In Maths they have been looking at fractions. In Literacy the class have been writing poems and letters to children at Yei Kindergarten in South Sudan who the school have supported over the years. They had their last recorder lesson with NMPAT on Thursday. The children have really enjoyed these recorder lessons over the last two terms with Mrs Carter and have done so well learning to play lots of tunes and singing songs.

In Science, the plants the children planted last week have now grown enough to start their experiment. They are observing and documenting daily what happens if each plant is either kept in the cold, not given water, not given any light or has its soil removed. The children also enjoyed dissecting a flower then finding and labelling different parts of a flower.

Wise Wolves

This week, the Wise Wolves have been creating information texts about the ir fictional creature. In history, we have been learning about how criminals were punished 800 years ago. This allowed us to find out about the types of crimes that were committed and how severe the punishments were. To prepare for Mothering Sunday, we made cards, paintings and poems to celebrate our mums.

Our Christian Distinctiveness

Collective Worship; *This week we have learning about the story of Zaccheaus and how he changed for the better after hosting Jesus for tea at his house. Zaccheus & Jesus were performed brilliantly by Freddie & Poppy in Busy Badgers class, along with others who played villagers.*

Christian Ethos Group; *This week Christian Ethos group created their own Collective Worship about 'Prayer', following what they had learned at the conference. They talked about how we pray and what we might pray for using an acrostic of 'Prayer' which they created.*

Courageous Advocacy; *We have taken part in Comic Relief today to raise funds for those who may have disabilities or may be struggling financially for different reasons. We heard about 'Teddy' who is visually impaired and how has been supported by a drama group, to develop his social skills and confidence.*

We continue to pray for those affected by the current crisis in Ukraine at this time.

Key Dates for Spring Term 2

IMPORTANT dates to remember
